

## **GREEN ROOM RULES**

- **Absolutely NO cell phone usage inside the green room. No phone calls, no texting, and certainly no photos.**
- **Keep doorways clear of all items and bodies. This is a fire safety issue.**
- **No guests.**
- **If you see someone not abiding by these rules, please remind them and refer them to the posted rules. If the behavior persists, inform the Board immediately to properly address the grievance (see Appropriate Behavior and Grievances in the Members Handbook).**

These rules have been established to ensure that the Green Room remains a safe and comfortable space for all performers. Thank you for your courtesy and consideration in adhering to them.
